If the nominating conference so desires, these selections of trustee candidates to be submitted to the House of Delegates may include either none or both of the presidential and vice presidential candidates previously selected by the nominating conference, or both of either the presidential or the vice presidential candidates previously selected by the nominating conference. **ROBERT F. LUCAS OUTSTANDING LIEUTENANT GOVERNOR'S AWARD**

**A.** The Robert F. Lucas Outstanding Lieutenant Governor's Award has been established to recognize outstanding work and exceptional character in district lieutenant governors. An evaluation will be made based on the criteria set forth below, binder tab guides should be published on the Key Club International website within 30 days of the closure of International Convention. These criteria points should

serve as goals for all lieutenant governors. Furthermore, such goals have been chosen as criteria because of the ability to judge them objectively. However, notice that many important duties of lieutenant governors (speaking skill and the ability to motivate, for example) have not been included in the criteria, for objective judging would not be possible. The Key Club International board recommends consulting the district governor and district administrator for further duties than are outlined in these criteria.

**B.** The decision to give or not to give an outstanding officer award to any particular Key Club member should, by no means, be the ultimate determination of the quality of his or her year. There will always be a great number of exceptional district officers who, for reasons outside their own powers, do not meet the Robert F. Lucas Outstanding Lieutenant Governor's Award criteria. While this award is certainly an honor, the Key Club International Board hopes that all officers receive more reward from the satisfaction of serving others than could be given in any plaque.

**C.** Only persons elected or officially appointed to their position may be submitted for consideration. In order to be eligible for this award, the nominee must have complied with all aspects of the bylaws and board policy code pertaining specifically to serving as a district officer, and the nominee may not have violated Section 2, Responsible Behavior, of the Key Club International code of conduct. Nominations are NOT limited to one per district and there exists no time requirement for which the lieutenant governor must serve in office. Applications must be received by Key Club district administrator no later than the first Friday in May.

**D.** Copies of all required documents must accompany the nomination. In order to be considered for this award, the nominee must accumulate a total of **1000 points out of the 1250 possible points**. If a nominee accumulated less than 1250 points and still feels that he/she should be considered for the award because of extenuating circumstances, he/she must submit in writing why he/she has not accumulated the total number of points along with his/her other requirements.

**E.** Information must be submitted in notebook form, keeping the information in accordance with each individual heading described below.

**G.** Criteria

**1. Personal Statement** – Provide a comprehensive review of your year as Lieutenant Governor, including, but not limited to:

- a. What you accomplished
  - b. What you learned
  - c. What you would do differently
  - d. Your goals as a district officer
  - e. Extenuating circumstances
- Limit 500 words. (50 points maximum)

**2. Club Newsletter (100 points maximum)** The lieutenant governor may choose one of the following options:

**a.** Produce and distribute at least ten monthly newsletters for the clubs within his/her division. Appearance, contents (including the Youth Opportunities Fund and Major Emphasis in conjunction with Key Club's International preferred charities, and promotion of the Key Club International vision partners (four times each per year, minimum) and co-sponsors (two times each per year, minimum)), timeliness of materials covered, and spelling/grammar are taken into consideration. Recipients should include the lieutenant governor's clubs (via the club president and/or faculty advisor), governor, district administrator, and the lieutenant governor at minimum. Newsletters may be mailed via the postal service or emailed to all recipients.

**b.** Ten monthly electronic bulletins containing the contents required in a newsletter (including the Youth Opportunities Fund and Major Emphasis in conjunction with Key Club International's Preferred Charities, and promotion of the Key Club International Vision Partners (four times each per year, minimum) and Co-Sponsors (two times each per year, minimum), and displaying formatting consistent with graphic standards (including a pencil and graphic standards specified fonts and colors) and a layout that is consistent from bulletin to bulletin may be substituted for ten monthly newsletters. Electronic bulletins will likewise be graded based on appearance, contents, timeliness of materials covered, and spelling/grammar. Recipients should include the Lieutenant Governor's clubs (via the Club President and/or Faculty Advisor), Governor, District Administrator, and the Lieutenant Governor at minimum. Electronic bulletins should be distributed via a medium or combination of mediums which will allow the Lieutenant Governor to reach all required recipients.

**c.** Options I and II may be combined as is most convenient to the Lieutenant Governor, as long as ten publications are produced.

### **3. Club officer training (100 points maximum)**

By November 15, the Lieutenant Governor must plan Divisional training, at a Divisional training conference or by a prearranged meeting of club officers, for all club officers with the input of Kiwanis. This can be held in conjunction with regional or zone conferences or individually with the club. The prescribed training should at a minimum include position responsibilities, Committee structure, meeting execution, Kiwanis relations, communication, Major Emphasis and Key Club International Preferred Charities, and promotion of the Key Club International Preferred charities, overview of the Key Club International Vision Partners and Co-Sponsors, Youth Opportunities Fund, and Key Club and Kiwanis education. Proof of Kiwanis input in the training process should be included in the submission. Training materials, agendas, handouts, etc. should also be included as proof of the content of the training. The fraction of clubs in attendance (clubs in attendance divided by the total number of clubs) multiplied by 80 points and the quality of the content of the training out of 20 points will equal the total number of points awarded.

#### **4. Face-to-Face Contact (100 points maximum)**

**a.** To earn the first 100 points, the Lieutenant Governor must visit every club in his/her Division at least once. The percentage of clubs visited (calculated by dividing the number of clubs visited by the total number of clubs within the Division) will equal the total number of points out of 100. If the Lieutenant Governor can provide proof that a visit in person is not feasible, as verified by the District Administrator or designated District official (Kiwaniis representative, Assistant Administrator, Zone Administrator, Governor, etc.), then an alternative, such as video chatting, which will simulate face-to-face contact is acceptable. Points will not be docked from this section if the Lieutenant Governor can provide sufficient proof that their request to visit was denied. All visits should be verified by signatures.

**b.** To earn the remaining 50 points, the Lieutenant Governor may choose one of the following options:

**i.** The Lieutenant Governor attends club projects planned by clubs in his/her Division in addition to his/her first club visit. Half the percentage of clubs visited twice (calculated by dividing the number of clubs visited twice by the total number of clubs within the Division and then dividing by two) will equal the total number of points out of 50. If video chatting or other forms of communication take place in lieu of a visit in person, the Lieutenant Governor must prove that a visit in person is not feasible by providing the signature of the District Administrator or a designated District official (Kiwaniis representative, Assistant Administrator, Zone Administrator, Governor, etc.)

**ii.** The Lieutenant Governor holds at least five Divisional Council Meetings. For each Divisional Council Meeting at which a majority of the clubs in the Division is in attendance, the Lieutenant Governor will be awarded 10 points.

**iii.** Options a and b may be combined as is most convenient to the Lieutenant Governor. For example, if a Lieutenant Governor has held two Divisional Council Meetings with majority quorums (20 points) and has visited four of her ten schools (40%) twice (20 points), then she will have earned 40 of the 50 possible points.

#### **5. Required Attendance (100 points maximum-deduct 50 points for each event not attended)**

The Lieutenant Governor must attend the following:

**a.** District Convention at the beginning and end of his/her term as Lieutenant Governor.

**b.** International Convention during his/her term in office, including all meetings and training sessions for Lieutenant Governors (unless prior approved to not attend by the District Administrator).

**c.** All District Board meetings.

d. District officers' training conference.

**6. Delegates at District Convention (50 points maximum)**

Two-thirds of the clubs within the Lieutenant Governor's division should be represented by at least two delegates at District Convention. The attendance of a two-thirds quorum results in 50 points while a one-third quorum results in 20 points and a one-half quorum results in 10 points. Lieutenant Governors are considered delegates-at-large at District Convention and are therefore not a part of this two-thirds quorum. If the Lieutenant Governor can provide sufficient proof that attendance at District Convention exceeds the resources or capacity of one or more of his/her clubs, as verified by the District Administrator, then that club will be considered eliminated from his/her quorum, neither counting for or against him/her. For example, if in a Division of ten clubs there are three clubs in attendance and one has been exempted from the quorum, the Lt. Governor will receive a total of 20 points (three of the nine clubs constituting a complete quorum is at least a one-third quorum, whereas three of the original ten clubs would not have constituted a one-third quorum).

**7. Dues collection (50 points maximum)**

The average percentage of District and International dues collected by December 1 will equal the total number of points awarded.

**8. Club growth (50 points maximum)**

Work with Kiwanis to increase the number of active clubs within the Division during the administrative year as defined by Key Club International Policy 2.3 by either building new clubs or reactivating suspended clubs. A new K-family club in the Lieutenant Governor's Division results in 50 points, while each reactivated Key Club (up to two clubs) in the Lieutenant Governor's Division results in 25 points. Clubs on suspended status before the Lieutenant Governor's term, revoked at International Convention, will not affect points awarded. However, clubs reactivated from suspended status during the Lieutenant Governor's term will still receive points.

**9. Submission of new club officer information (88 points maximum)**

New club officer information must be submitted by all clubs within the Division to the International Office by September 15<sup>th</sup> to receive 88 points and by October 15<sup>th</sup> to receive 55 points.

**10. Division-wide function (62 points maximum)**

Lieutenant governors are encouraged to hold a Division-wide function with attendees from each of the Divisional clubs present. Divisional Council Meetings are not considered Division-wide functions. A Division-wide function can be, but is not limited to, a fundraiser or hands-on service project or event that all the Divisional clubs must attend and/or participate in. The percentage of clubs participating will equal the total number of points awarded.

**11. Communication (175 points maximum)**

- b. Monthly Communication (75 points maximum): Lieutenant Governors are required to e-mail and/or call, whichever method is preferable to the person(s) being contacted, the following once per month: District Governor, District Administrator, and Club Presidents. A reply on an email or a return phone call is not required to earn points, but the Lieutenant Governor should leave a voicemail or request a read receipt whenever possible. A phone log or hard copy of email correspondence should be submitted as proof of the initiation and content of the monthly communication. Deduct 10 points for every month in which communication was not initiated.
- c. Miscellaneous (50 points maximum): Submit sufficient proof that communication throughout the Lieutenant Governor's term has gone above and beyond that of which is required. This can be but is not limited to attendance at meetings and/or the use of communication through other social media outlets. Points are awarded at the discretion of the judges.

**12. Monthly Reporting (50 points maximum)**

Complete and file monthly reports regarding Committee and/or Board member performance with the District Governor and District Secretary by pre-established deadlines. Deduct 5 points for each report not submitted and 2 points for each late report.

**13. Service to home, school and community (150 points maximum if service is verified)**

Perform at least 50 hours of service to home, school and community through Key Club activities. Verification shall consist of a description of service performed certified by the club president and Faculty Advisor. Deduct 5 points for every hour below 50.

**14. Recommendations** – Provide no more than one letter of recommendation for a value of 25 points total. (Letters can be written by District Administrator, Kiwanis Counterparts, Key Club District Executive Officers, or recommenders of an equivalent stature) (25 points maximum)

**15. Miscellaneous (Additional Materials)** – This section can be used to submit evidence of performance above and beyond the call of duty, including recommendations and documentation of achievements not covered by these criteria. Points may be awarded to previous sections based on explanations provided within the additional comments section, therefore, applications which do not meet the minimum points requirement may still be considered for the award. In order to be considered a viable reason for lack of points, explanations must be signed by the District Administrator. A

maximum of 100 points may be granted based on explanations within this section.
